- All Seeders, traveling Seeders and Seeder guests have published handicaps.
- All pairings will have 2 players from the South Team, and 2 players from the North Team.

 - 3) North .vs. South Net Tournament.
(team medal score – team course handicap = team net score).

Payout: \$10 per player/per day
- If you choose to have individual bets within your foursome, cart bets etc. it's completely up to you. It is not mandatory.

General Rules & Information

- We'll use our normal Seed stroke play scoring system. You give and receive strokes based on your course handicap indicated.
- Points are awarded for front, back and overall. Ties are broken by hole level of difficulty (for individual side(s), posted on score card). Overall ties are broken by hardest hcp hole per side, then overall.
- The maximum score on a hole is 2X par.
- If two players in your 4some concede a putt then it's good.
- We're playing preferred lie, meaning if your ball lands in your own fairway or fringe you're allowed to roll it (up to 6 inches) to improve ball position, no closer to the hole. You cannot touch the ball in the rough at all.
- Senior golfers (65 yr's and older), on all par 4's are allowed to move forward to the tee box measuring not more than 375 yds.
- Each 4some will be given a score sheet to report the individual match results. It should be turned in at the end of the round along with your group's official score card. The score card that is turned in will be used for the skins report. Make sure all players are in agreement with the scores.
- Individual, team and skins results will be broadcast(ed) to all Pinehurst trip players and posted on our site after each round has completed.
- Although the main method of communication will be via text broadcast, printed copies of 4somes and daily results will be available for those who prefer hard copies.

If you have any questions about the schedule, rules, format etc don't hesitate to call DD @ (203) 410-9893.
