

## **2019 Pinehurst Trip - Important Reservation Information ... Please Read!!**

Good news fellas! Our Pinehurst trip courses have been booked, a block of 26 suites have been reserved and all trip information and details have been posted on the front page of our site!

Here's the dilemma that we face every year. The popularity of the trip is through the roof, and we can't accommodate everybody. I was able to convince our golf booking agent to give us 4 additional spots which brings us to a grand total of 40 golfers.

In my opinion, the fairest way to determine who goes is to give those who attended last year's trip an advance opportunity to secure their spot.

Therefore, beginning May 1 through May 31 IF YOU ATTENDED THE 2018 PINEHURST TRIP YOU CAN PAY YOUR TRIP FEE VIA THE PAYMENT LINK ON OUR SITE AND YOUR SPOT IS GUARANTEED. If you do not pay for your trip by May 31, your spot is up for grabs.

For those who didn't attend last year, beginning June 1 through July 14, you can secure your spot by paying for your trip via the payment link on the front page of our site as well.

These spots will be filled on a first come, first served basis, and beginning Jun 1 I will post the list of participants every day until all 40 spots have been filled.

This trip is for current and traveling Seeders in good financial standing only. If you aren't a current member or you're not in good financial standing please don't bother asking to attend.

If you have any questions about the trip don't hesitate to call DD @ (203) 410-9893.
