Ryder Cup Format Tournament

Two Person Best Ball – Holes 1 thru 6

Each player on the two-man team plays his own ball throughout the designated holes. After each hole the player with the lowest score on the hole out of the two-person team serves as the team score.

Alternating Shots – Holes 7 thru 12

Each player on the two-man team must hit three T-Shots – then alternating shots until the ball is holed.

Captain Choice – Holes 13 thru 18

Each player on the two-man team will hit his ball. The Captain then chooses which ball to play (Best Ball) for the next shot. When choosing the best ball the other team player must place their ball within one club length of the best shot (not closer to the hole).

(Note: Club length must be in the area where the ball lies (i.e. rough in the rough or fairway in the fairway – not closer to the hole.)

Special Notes:

In order to eliminate confusion or controversy – all holes must be puttied out - **NO Gimmies**

Putting Surface – Players must place ball to putt within clubface length from where ball is marked

Speed up Play – If a ball is hit out of bounds by both team players, ball must be played in the fairway base on entry into out of bounds area. (Two stroke penalty)

Bunker Play – Balls selected in the sand bunker must be played in the same spot/location. Bunkers can be raked after each shot.

Hazard Reiteration – If a ball a team select is in a hazard (bunker or water) or in the rough or out of bounds, players cannot drop the ball outside of the hazard or rough even if relief is within one club length away.

Maximum Score – Double Bogey

Playing Tee: White
